

The Arts in the Parks program is created with family in mind to allow local artists to exhibit their art, whether it's woodwork, painting, crafts, or jewelry, at Rob Fleming Park. All aspects of the visual arts are welcome. Spectators are able to purchase fine and original works produced by the artists. Entertainment is provided from a variety of local groups, from high school music or theater departments to community groups.

This event is free for the public to enjoy, to shop and to help promote the local arts.
